### SUMMARY

Experienced React Native Developer with a proven track record of over 8 years in designing, developing, and deploying robust mobile applications. Adept at leveraging the full potential of React Native framework to create efficient, scalable, and visually appealing cross-platform solutions. Well-versed in collaborating with cross-functional teams, including UI/UX designers and backend developers, to ensure seamless integration and optimal performance. Seeking to bring extensive expertise and passion for excellence to a dynamic development team.
